

2) TECHNICAL DATA

Maximum height of the track	24 met.
Print-foot	65 met x 26 met
Run-out of the track	520 met.
Number of trains	3 - Max
Maximum operational speed	70 Km/H 19,5 m/sec
Maximum vertical acceleration	4g
Theoretical Riding time	150 s
Maximum expected hourly capacity	1.440 pass/hour
Environmental loading	in compliance with the relevant local standards
Designing Standard	EN 13814
