

## 2) TECHNICAL DATA

Maximum height of the track	16,5 met.
Print-foot	42 met x 20 met
Run-out of the track	310 met.
Number of Trains	6 - Max
Maximum operational speed	47 Km/H      13 m/sec
Maximum vertical acceleration	4 g
Theoretical Riding time	120 s
Maximum expected hourly capacity	700 pass/hour
Environmental loading	in compliance with the relevant local standards
Designing Standard	EN 13814
